Current Responsibility

Jack Chmielewski is a principal and consulting actuary with the Milwaukee office of Milliman. He currently performs the role of relationship manager and consultant for his employee benefit clients. He joined the firm in 2002.

Professional Work Experience

Jack has consulted on projects in the areas of plan funding, experience analysis, benefit studies, and other areas of financial management relating to retirement programs. He also monitors compliance work with corporate clients including nondiscrimination testing, preparation of government forms, and review of pension distribution paperwork. Jack has been involved in asset/liability studies, including stochastic projections, and helping clients to assess and manage the volatility of their retirement programs.

Jack has also completed analysis of Other Post-Employment Benefits (OPEB) under ASC 715-60 for corporate plans and Government Accounting Standards Board (GASB) Statements 74 and 75 and Accounting for Pensions under GASB Statement 73 for public entities.
