## Current Responsibility

Bobby Deosaran is a consulting actuary with Milliman's Financial Risk Management Practice in Chicago. He joined the firm in 2011.

## Professional Work Experience

Bobby specializes in all aspects of managing variable annuities. He oversees managed services programs for multiple clients' variable annuity blocks covering hedging, GAAP and Statutory reporting, experience studies, pricing, and strategic initiatives.

He also has extensive experience in mergers and acquisitions of variable annuities, having been a part of the leadership team of major appraisals totaling over \$200 billion in AUM.

Prior to joining Milliman, Bobby worked for a multinational life insurer for several years. During that time, he worked in the asset-liability management department, with experience conducting asset modeling of various insurance products and running the hedging program of their variable annuity business.
