

Chloe Lau

FSA, FCIA, CERA
Consulting Actuary

CURRENT RESPONSIBILITY

Chloe Lau is a consulting actuary working with the Life Technology Solutions (LTS) Practice. She also works with the Life Practice in Milliman's Chicago office, with a specialization in Enterprise Risk Management (ERM).

EXPERIENCE

Chloe is an actuary with 14 years of experience who has held several different roles within the consulting and financial services industry. Her areas of expertise include investment strategies, ALM, enterprise risk management, and overall business strategy and program implementation.

Prior to joining Milliman, Chloe has served in second line risk function with experience in setting company-wide risk frameworks to address different types of financial and operational risks. She has also led an ALM team in strategic asset allocation modeling and the implementation of various types of financial risk monitoring and reporting tools. Chloe's other prior experience includes serving as the business director for her company's CEO, providing strategic vision and execution for different areas of the business, as well as leading the implementation of a new valuation system in the company.

PRESENTATIONS AND ARTICLES

Chloe is a frequent participant at industry events and has recently co-authored an article on COVID-19 and ERM.
