

Lorraine W. Mayne

FSA, MAAA

Principal, Consulting Actuary

CURRENT RESPONSIBILITY

Lorraine is a principal and consulting actuary in the Salt Lake City office of Milliman. She joined the firm in 1991.

EXPERIENCE

Lorraine's experience encompasses many aspects of healthcare financing. Her clients include employers and purchasing alliances, insurance companies and HMOs, and hospital and physician groups.

Much of her work focuses on cost effectiveness and plan design. Major projects involve extensive negotiations and projection models related to commercial, Medicaid, the elderly, and special needs populations. Lorraine's experience includes:

- Risk adjusters for healthcare purchasers
- Capitation and other risk-sharing arrangements for healthcare providers
- Healthcare reform compliance
- Rating models
- Reserving

PROFESSIONAL DESIGNATIONS

- Fellow, Society of Actuaries
- Member, American Academy of Actuaries

EDUCATION

- BS, Mathematics, University of Utah
