

NIHARIKA TARIMELA

MSIS

Healthcare Analyst

niharika.tarimela@milliman.com

Current Responsibility

Niharika is an analyst with the San Diego office of Milliman. She joined the firm in 2018, and works across different Milliman teams to support a wide range of projects and clients, including market checks, claims reporting, pharmacy, medical audits, Medicare Part D plans, self-insured employer groups, and third-party administrators.

Professional Work Experience

Niharika's primary areas of expertise are data warehousing, product development, data validation, results analysis and interpretation, on-demand custom report building, error troubleshooting, and recommending solutions for process improvements.

She is proficient in various technical skills like SQL, SSAS, SSIS, Power BI, and PowerShell.

Niharika's experience includes:

- Data analysis and reporting
- Database management
- Data cleansing and validation
- Data visualization
- Performance guarantees
- Pharmacy Benefit Manager audits
- Pharmacy claims processing
- Product development and execution of Milliman products such as MyRxConsultant and Milliman Payment Integrity
- Process enhancements and performance optimization
- PBM Market Check
- Medicare Part D data validation
- Medicare Part D Employer Group Waiver Plans (EGWP)

Education

- MS, Information Science and Technology, Missouri University of Science and Technology, Rolla
- MBA, Campbellsville University, Louisville
